## Thoughts...

**"Every man should be born again on the first day of January. Start with a fresh page. Take up one hole more in the buckle if necessary, or let down one, according to circumstances; but on the first day of January let every man gird himself once more, with his face to the front, and take no interest in the things that were and are past."**

- Henry Ward Beecher

# Fundraising News

## 3 Cases Left!!!

We have **3 cases** left to sell. We have done a great job selling – don't stop now! We are almost done. Thanks to everyone who helped out with this great fundraiser!

## Pilot Cookbooks

Cindy typed her fingers off – and got all of our entries entered for our first Pilot cookbook. CJ helped her proof the recipes – thanks CJ! That was a lot of work. I think there were around 300 recipes entered. Fantastic!

The cookbooks are going to press. As soon as they are ready, Cindy will let us know and we will begin selling them. Thanks to everyone who sent in entries for what will surely be a treasure to own. Great job, Pilots!

### Do you have information for our Pilot Compass?

Please contact Lucy or Adrienne, and we'll be glad to include it in next month's newsletter.

## Congratulations!

Congrats are in order for Cindy Neill, who is *Employee of the Month* at Quality Care. Way to go, Cindy!

Xerox will print and send cards to the troops in your name. They need our support. If you go to this website, [www.letsaysaythanks.com](http://www.letsaysaythanks.com), you can pick out a thank you card and Xerox will print it and it will be sent to a soldier that is currently serving in Iraq. You can't pick out who gets it, but it will go to some member of the armed services. How AMAZING it would be if we could get everyone we know to send one!!!

This is a great site. Please send a card. It is FREE and it only takes a second. Jack checked it out and verified the site. So – let's send some love to the troops!
